from 1.00pm to 4.00pm

Our guest speaker on the day will be

Alistair Brown

Topic of our conversation, debate and questions?

“City Resilience – Fire Prevention – the Future”

Alastair was Chief Resilience Officer for the City of Glasgow and has worked closely with cities across the world in developing thinking around resilience and helping businesses, communities and cities understand what benefits can be gained from working on clear resilience planning. He has most recently been working with European partners on developing resilience tools.

In this afternoon event, he will explore what is meant by resilience, give examples and share thinking on what we can all do to improve resilience in our jobs and in our communities.

If you would like to attend this event please send an email to
secretary@ifpo.org.uk.

Please note that spaces are limited and will be allocated on a first come first served basis

A CPD Certificate will be offered on attendance of this event
